Shame On You

Can't stop me now
Here what I say
My feet's got to move so
Get outta my way
I'm gonna have my say
I'm goin' to every discotheque
I'm gonna dance, dance, dance
Woh till the break of day

Oh shame, shame, shame
Shame on you
If you can't dance too
And I said
Shame, shame, shame, shame
Shame, shame, shame
Shame on you
If you can't dance too

Don't stop the motion
If you got the notion
You can't stop the groove
Cause you just don't move
I got my sunroof down
Got my diamond in the back
Put on your shakin' wiggle woman
I ain't never gonna come on back

Shame, shame, shame
Shame, shame, shame, shame
Shame on you
Woh if you can't dance too
And I said
Shame, shame, shame
Shame, shame, shame, shame
Shame on you
If you can't dance too, ah

If you don't want to go
Remember what money
Don't stop the show
My body needs action
And I ain't gonna blow it
Oh yes, I'm going out
And find a dancin' man
If you really think
You're fast enough
Try to catch me if you can

Shame, shame, shame
Shame, shame, shame, shame
Shame on you
If you can't dance too
And I said
Shame, shame, shame
Shame, shame, shame, shame
Shame on you
If you can't dance too

Shame, shame
Shame on you
If you can't dance too
Shame, shame

Shame on you
If you can't dance too
