Atreyu, You Give Love A Bad Name (Bon Jovi Co

Shot through the heart and you're to blame Darlin' you give love, a bad name

Fuck you

An angel's smile is what you sell you promise me heaven, then put me through hell Chains of love, got a hold on me when passion's a prison, you can't break free

Whoa! You're a loaded gun yeah, whoa... There's nowhere to run No one can save me The damage is done

Shot through the heart and you're to blame You give love a bad name I play my part and you play your game You give love a bad name You give love a bad name

You paint that smile on your lips blood red nails on your fingertips A school boy's dream, you act so shy Your very first kiss was your first kiss goodbye

Whoa! You're a loaded gun whoa... There's nowhere to run No one can save me The damage is done

Shot through the heart and you're to blame You give love a bad name I play my part and you play your game You give love a bad name You give love...

Shot through the heart and you're to blame You give love a bad name I play my part and you play your game You give love a bad name

Shot through the heart and you're to blame You give love a bad name I play my part and you play your game You give love a bad name You give love a bad name
