

Atticus, Let Her Go

i guess its only the men who get fucked now and again we take our chicks to the mall we waited parking stalls and when we come home to late she's pissed that she had to wait and my excuse not to call it never worked at all

time to wake up wheres your daughter hurts to break up she was stronger all my friends say please dont love her what did i gain now i miss her so

i use to hate the lipstick it stained and tasted so sick the pantihose and the bras she threw on my guitars she fuck i made a mistake i thought i needed a break the truth is im such a dick its broke and cant be fixed

time to wake up wheres your daughter hurts to break up she was stronger all my friends say please dont love her what did i gain now i miss her so

if you wanna call it a heart break then i should regreat those things i miss her if you want the pain to go away better suck up your pride admitt you lost her let her go move on let her go move on let her go

time to wake up wheres your daughter hutrs to break up she was stronger all my friends say please dont love her what did i gain now i miss her so

move on let her go move on let her go move on let her go move on let her go
