

Auburn, All I Need

[Chorus:]

I don't need no fights
I don't need no nightclub spots on TMZ (Yeah!)
I don't need fake friends
I don't need no entourage just my family (That's all I need!)
I don't need no cars I don't need no stars
I don't need no one to vouch for me (Uh-uh!)
All I need is the speakers all I need is a mic
All I need is R&B (Now let's get it!)

[Verse 1:]

Right now I'm a take it back
To the place where this whole thing started at
Started on Myspace
My first song top 8
Started to get more plays they recognized my face
Then my boy from Beluga Heights he peeped that
Called my management told them y'all hit me back
Flew out to L.A. Turned out they loved me
They gave me that deal I signed right away
I called my mommy She was so happy
She told me baby It works when you pray
And since that day I've been with J... R and now I can finally say

[Chorus:]

I don't need no fights
I don't need no nightclub spots on TMZ (Yeah!)
I don't need fake friends
I don't need no entourage just my family (That's all I need!)
I don't need no cars I don't need no stars
I don't need no one to vouch for me (Uh-uh!)
All I need is the speakers all I need is a mic
All I need is R&B (Now let's get it!)

[Verse 2:]

On my way to the top
Plan on staying her so I ain't gonna stop
Riding on the road Doing show to show
In the studio is the life I chose
Sometimes I wonder where would I be
If I didn't have support from my family
No matter what they see
No matter the money
No matter who I meet
I'm a still be me
I'll be right here until I'm called home
My music on live
Even after I'm gone
Making it clear that your girl is strong
That's why I'm here
Singing this song

[Chorus:]

I don't need no fights
I don't need no nightclub spots on TMZ (Yeah!)
I don't need fake friends
I don't need no entourage just my family (That's all I need!)
I don't need no cars I don't need no stars
I don't need no one to vouch for me (Uh-uh!)
All I need is the speakers all I need is a mic
All I need is R&B (Now let's get it!)

[Bridge:]

Now I can finally say (Ay!) I'm so blessed to be here today (here today)
Ever since y'all gave me the chance, I'm a make sure I don't let down all my fans
(And I know) That if it hadn't been for you, (Then I) I never would've made it through
Cause' I know about all the people who doubt me surround me
But they don't know nothing about me. (Nooo.)

[Chorus:]

I don't need no fights
I don't need no nightclub spots on TMZ (Yeah!)
I don't need fake friends
I don't need no entourage just my family (That's all I need!)
I don't need no cars I don't need no stars
I don't need no one to vouch for me (Uh-uh!)
All I need is the speakers all I need is a mic
All I need is R&B (Now let's get it!)
