

# Audio Adrenaline, Melody

For so long I've been sleeping  
Dead Inside  
In so many ways, so many ways I've tried to hide  
But you breathed deep into me Your melody  
What was life before You?  
I don't remember  
I don't remember life that way

[Chorus:]  
I, I get lost inside  
The wonder of Your beauty  
A melody so sweet I'll sing forever  
Of your love

In my ear quietly I hear You sing

And my heart starts to beat inside  
The echoes ring  
I've lied to You, I've lied to You in so many ways  
You say You don't remember, You don't remember  
You can't remember me that way

[Chorus]  
So sweet is the sound, the sound of Your voice  
So sweet is the sound of Your melody  
So sweet is the sound, the sound of Your voice  
So sweet

[Chorus]
