I'm takin' time  
Sitting through my life  
And you know I am really  
Never known what is right  
And it's you  
And it's you  
Never knew what I find  
And it's you  
And it's you  
You will always be mine

Chorus:

You've got no time for me  
You've got no time  
I can't explain  
The way of this man  
He grow, lost control  
And became what I am  
And it's me  
And it's me  
Always knew what I find  
Yes, it's true  
Yes, it's true  
You will always be mine  
Chorus
