

Augustana, Only One

The shade that hides me
It never lies to me
It tells me I'm alright
And only you breathe
And all that I can see
I know that its alright

Am I the only one who feels this way?
Am I the only one?
Am the only one crying insane?
Am the only whoah oh oh

The shade that hides me
It never lies to me
It tells me I'm alright
And only you breathe
And all that I can see
I know that its alright

Am I the only one who feels this way?
Am I the only one? yeah yeah yeah yeah
Am the only one crying insane?
Am the only whoah oh oh yeah yeah yeah
yeah yeah yeah

And now you're gone yeah yeah
And now you're gone yeah yeah
And now you're gone yeah yeah
And now you're gone yeah yeah
you're gone yeah

Am I the only one who feels this way?
Am I the only one? yeah yeah yeah yeah
Am the only one crying insane?
Am the only whoah oh oh
Am I the only one who feels this way?
Am I the only one? yeah yeah yeah yeah
Am the only one crying insane?
Am the only whoah oh oh
