

# Aura Dione, Friends (feat. Rock Mafia)

Free, free to be myself  
Free to need some time  
Free to need some help  
So I'm reaching baby, out  
When I'm lonely in the crowd  
When the signs get too loud  
I'll be crashing  
And even if I never forget you baby  
Tonight I'm gonna let your memory baby  
Go, always said I'd know

But at least I got my friends  
Share a rain coat in the wind  
They got my back until the end  
If I'll never fall in love again  
Well at least I got my friends  
Like a light bulb in the dark  
Saving me from the sharks  
Even know I got a broken heart  
At least I got my friends  
Got my friends, got my friends, got my friends  
Well at least I got my friends

I don't wanna think  
I just wanna feel  
I just wanna dream, yeah  
So pour another round  
And throw it back until it's down  
Let's get lost until it's found  
Again and again  
And even if I never forget you baby  
Tonight I'm gonna let your memory baby  
Go, always said I know

But at least I got my friends  
Share a rain coat in the wind  
They got my back until the end  
If I'll never fall in love again  
Well at least I got my friends  
Like a light bulb in the dark  
Saving me from the sharks  
Even know I got a broken heart  
At least I got my friends  
Got my friends, got my friends, got my friends  
Well at least I got my friends

And when the world is upside down, yeah  
The sky is full of clouds, yeah  
They always come around  
It feels like home, like home  
And I never have to try, I can be myself and I  
Never alone, I never feel alone, ooh  
And even if I never forget you baby  
Tonight I'm gonna let your memory baby  
Go, always said I know

But at least I got my friends  
Share a rain coat in the wind  
They got my back until the end  
If I'll never fall in love again  
Well at least I got my friends  
Like a light bulb in the dark  
Saving me from the sharks  
Even know I got a broken heart

At least I got my friends  
Got my friends, got my friends, got my friends  
Well at least I got my friends
