Aurora, Animal

You are, the victim, The victim of my love, I dangle up on rooftops, Before I push you off

I stand at the headlines looking for a corner where I can't be found with a goodness in my eight eye watching every lover on the battleground

you're hunting for love killing for pleasure lost in a concrete jungle if I am alone make me a stranger lost in a concrete jungle

I am an animal, animal haunting for an animal, animal haunting for love kill for pleasure lost in a concrete jungle
