

# Aurora, Apple Tree

all of my life  
I've been hunting  
I've been a girl  
I've been a boy  
digging my feet into the ground  
like an apple tree  
wanting to live with a purpose  
skin is a word  
love is not a sin  
people are bad  
people are good  
just like the moon is a stone  
but it's a star when it's dark  
and now she's hiding

if you've seen what a heart is  
you've seen its color  
if I ever knew how we could guide it  
I would take care of its children  
become their mother  
if I ever knew how we could hide it hide it

let her save the world, she is just a girl  
let him save them all, he is just a boy  
let her save the world, she is just a girl  
let him save them all, he is just a boy

hunger is quiet  
if you do it right  
hunter is loud and predictable  
scaring away every prey  
so they are gone

before the hunters arrives  
would you be kind  
and put away your sword  
you cannot cut away  
what we got  
you cannot kill what we are  
we are not here  
in physical form

you'  
ve seen where the knife is  
it's dark location

if I ever know how could I hide  
I would cut into our anger  
make pure emotion  
if I ever knew how we could hide it hide it

let her save the world, she is just a girl  
let him save them all, he is just a boy  
let her save the world, she is just a girl  
let him save them all, he is just a boy

can you carry the weight of mortality?  
the explosion around you is your symphony

let her save the world, she is just a girl  
let him save them all, he is just a boy  
let her save the world, she is just a girl  
let him save them all, he is just a boy
