

Aurora, Giving In To The Love

Im losing my connection
Im tired of the rules
And your corrections
I want to live my life
Be all of its pages
And underline that I
Am not an angel
Cause if i'm not pure
I guess that I'm too much
I never know how to keep in
Keep in touch

If i'll be somebody
I'll never let my skin decide it for me
I never had the world so why change for it?
I never had the world so why change for it?

Giving in to the love
Giving in to the love
Giving in to the love

The love
The love
The love
The love

Someone out there is trying
To find sobobody whole
Who is not dying
But everybody comforts
The television lies
And now my mind hurts
And if i am not loved
I guess that i am cursed
I gotta know how to beat it
Beat it first

If i'll be somebody
I'll never let my skin decide it for me
I never had the world so why change for it?
I never had the world so why change for it?

Giving in to the love
Giving in to the love
Giving in to the love

The love
The love
The love
The love
