

Aurora, Hunting Shadows (Assassin's Creed)

I run in the night
A shadow, I hunt
I'll kill the dark with beacons
Of light, of light
Don't fear us
Our time has come
We bleed for
Our freedom
Don't fear us
The night has won
It's our blood
Our freedom
Don't fear us
Our time has come
We bleed for
Our freedom
Don't fear us
The light has won
It's our blood
Our freedom
