Aurora, Numbed Eyes

i wish i could turn me into something try to neglect the reason that you passed away

i wish i could hide into the dark vanish through my reflection into the blood coloured sun

all the love we once had become has vanished and is forever gone we didn't dare to open our eyes and realize our own disquise

i wish i could rewind the nights were you and me gazed with numbed eyes

i wish i could turn back the time where you and me f**ked...
