

# Aurora, Your Mistake

It's not surprising  
I failed in recognising  
Seemed too obvious to me

Oh my mouth is burning  
I've been twisting, turning  
But it makes no sense to me

But then again  
It's probably too complicated  
How was I supposed to know?

I get no sleep  
This cuts too deep  
That's your mistake  
And I just can't go on

I'm breaking out  
Too tired to shout  
That's your mistake

I would have crossed the wire  
Walked into the fire  
There'd be no uncertainty

When the water'd frozen  
I changed the path I'd chosen  
I closed my eyes so I could see
