

Austin Mahone, Say You're Just a Friend (ft. Flo Rida)

[Austin Mahone:]

Hey hey baby, you've been on my mind
I knew you for a long time
And ive been thinkin that maybe you should know
Hey hey baby can we compromise?
I really want you to be mine
Got a million places that we could go
I wanna be your everything
I wanna be the one you need
So tell me where you been all my life
Can I make you mine tonight
Hey baby you, you've got what I need
But you say you're just a friend, yeah you
Say you're just a friend
Hey baby you, you've got what I need
But you say you're just a friend,
yeah you say you're just a friend
hey hey baby weve been on the phone
spending time together alone
but every time we talk no words come out right
hey hey baby when I look in your eyes
I can tell youre holding something aside
I'll be thinking bout you
I'll be thinking bout me

[Flo Rida:]

Yeah kinda seeing this most of my life
Trying make the girls whistle
It's the of a hell of a life
How make them get low
Bring it back right round
Let the good times roll
Feeling good right now
But I remember Bismarck
1989 and maybe 90
Cant do me like the song I wrote
Couldnt clash next to you cause you all I want
Like you, you got what I need
and if not, ill just pretend
Until I can get your friend
I playin tho.
Maybe that's a little too much tripping
We be catching eyes I can see them twinkle in them
Thought we'd be together till I seen the wrinkle in them
But I guess not.

[Austin Mahone:]

Hey baby you, you've got what I need
But you say you're just a friend,
yeah you say you're just a friend
