

Australian Idol, Dance With You (Rebekah Levaux)

Dance with you
Dance with you

All I really wanna do
Really wanna do is dance with you

Friday
I finish working for the
Weekend
Goin' dancing with my
Girlfriends
Always have a better time with them than any man, and

Feelin'
So good, the musics really
Pumpin'
There's a guy that's always
Starin'
Walkin' over now, tryna make a move on me
'Cause see

[Chorus:]
All I really wanna do is dance with you
There ain't nothin' else in it, boy, that's the truth
Can't you feel the rhythm in the music playin'
'Cause the DJ's playin' my favorite song
Nothin' in the world that I would rather do
Than dance all night to my favorite tune
There's something that I really think you need to know
Is that I love to dance but, boy, it's not about you

I'm not
The kind to pick up in a
Night club
Or give my number to a
Stranger
It doesn't matter if I've never seen a finer man

Don't think
A look at me is any
Better
'Cause I want to get
Together
But, baby, now I'm findin' reasons that you never think I knew

[Repeat Chorus]

[Rap - Levi]
Do you wanna dance with me?
And if you're lucky
I'll even let you take a chance on me
But now you're cryin'
Actin' like you ain't impressed with me
Now get your mind right
See there's noone else but me
You know it, yeah, you know your game
Nothing changed, baby (changed, baby)

I'll buy you things
Take you places ain't been, baby
I feel you, girl
I know all I wanna do dance wit you
The way you movin', girl
I know you feel the same way too

I want you, I want you

[Repeat Chorus x3]
