Ava Max, Kings & Queens Pt. 2 (feat. Lauv & Sav

If all of the kings had their queens on the throne We would pop champagne and raise a toast To all of the queens who are fighting alone Baby, you're not dancing on your own

Can't live without me, you wanna, but you can't, nah-nah-nah Think it's funny, but honey, can't run this show on your own I can feel my body shake, there's only so much I can take I'll show you how a real queen behaves

Oh, no damsel in distress, don't need to save me Once I start breathing fire, you can't tame me And you might think I'm weak without a sword But if I had one, it'd be bigger than yours

If all of the kings had their queens on the throne We would pop champagne and raise a toast To all of the queens who are fighting alone Baby, you're not dancing on your own

Disobey me, then baby, it's off with your head Gonna change it and make it a world you won't forget

Oh, no damsel in distress, don't need to save me Once I start breathing fire, you can't tame me And you might think I'm weak without a sword But I'm stronger than I ever was before

If all of the kings had their queens on the throne We would pop champagne and raise a toast To all of the queens who are fighting alone Baby, you're not dancing on your own

In chess, the king can move one space at a time But queens are free to go wherever they like You get too close, you'll get a royalty high So breathe it in to feel the life

If all of the kings had their queens on the throne We would pop champagne and raise a toast To all of the queens who are fighting alone Baby, you're not dancing on your own
