

# Ava Max, Rumors

I hear them talking  
In the dead of the night  
Yeah /4x

You're always there  
At the scena of the crime  
Yeah /4x

But it feel like a lie  
When i look in your eyes  
They say you talking baby  
I see the bright side  
Yeah /4x

So who's gonna love you  
If ain't me baby\*
