Avalon, Can't Live A Day (DJ Tiesto Mix)

I could live life alone And never fill the longings of my heart The healing warmth of someone's arms And I could live without dreams And never know the thrill of what could be With every star so far and out of reach I could live without many things And I could carry on But I couldn't face my life tomorrow Without Your hope in my heart I know I can't live a day without You Lord, there's no night and there's no morning Without Your loving arms to hold me You're the heartbeat of all I do I can't live a day without You, no, no Lord. I could travel the world See all the wonders beautiful and new They'd only make me think of You And I could have all life offers Riches that were far beyond compare To grant my every wish without a care Oh, I could do anything, oh yes But if You weren't in it all

I couldn't face my life tomorrow Without Your hope in my heart I know I can't live a day without You Lord, there's no night and there's no morning Without Your loving arms to hold me You're the heartbeat of all I do I can't live a day without You I could live life alone And never fill the longings of my heart The healing warmth of someone's arms And I could live without dreams And never know the thrill of what could be With every star so far and out of reach I could live without many things And I could carry on But I couldn't face my life tomorrow Without Your hope in my heart I know I can't live a day without You Lord, there's no night and there's no morning Without Your loving arms to hold me You're the heartbeat of all I do I can't live a day without You
