

Aventura, Obsesi

yo yo this is the remix...
ring ring..... hello.... shhhh....
listen up... i gotta few words to tell you....
It is 5 in the morning, I'm feelin kinda lonely
On top of that I'm horny, and I need u here with me.
Did I mention I can't sleep? You're always in my dreams
Y si no estas conmigo i won't be feelin right
Today I met ur man just smiled and walked away
To know how soon his girl just might become my wife
And he's no competition, let me give u a reason
You know that you don't love him cuz he is not the one
You know he's kinda wack and that is so, so sad
To see how such a beauty is wasting all her time
oooh
No, I know it ain't love. Lo que tu sientes se llama obsesion.
Una ilusion, that plays with your mind and makes you take action
when you're obsessed that's how it goes.
flossing jiggy in my Lexus, pase por tu colegio
Me informan que te fuiste, going crazy I ran lookin for you
Te busque y no te encontraba y eso me preocupaba
Para calmar mi ancia yo te queria llamar
But I didn't have ur digits, and ur girl just kept on dissin
And I know she must've liked me, me miraba con pasion
Baby, baby, I need your love stop ur frontin and give it up something is
going wrong
Gonna be your Romeo.
No, yo se que no es amor, what u're feelin for me(what is it... what is it?)
se llama obsesion (rip my heart)
Una ilusion en tu pensamiento que te hace hacer cosas asi funciona el corazon.
Judy no por favor, go tell your man that he gotta go
Cuz I'm the one that's gonna stay in control
And I wanna be ur man, i wanna feel ur butt, wanna feel ur breasts
I wanna be the first and last to take you to your bed.
Yo Romeo lemme holla at this girl real quick.
Holla
