

Avicii, Friend Of Mine (ft. Vargas & Lagola)

hey, do you remember we said Hello
And you asked me about my Levi's t-shirt
said: You are a friend of mine?
MMY oh my
You must have saved me about a thousand times
I wouldn't be the one I am today
if you hadn't been a friend of mine

I ain't misbehaving
I'm just telling you the truth
take my love for granted
I'd give it all to you
make me count for something
I feel it in my heart
god only knows what I'd have been
if you hadn't been a friend of mine
