Avicii, Last Dance (Feat. Andreas Moe)

If this is our last, last dance move a bit closer, just let it take over And if this is our final chancelf this is our last, last dance move a bit closer, just let it take over And if this is our final chance lets make it worth it and dance until we stop the world

If this is our last, last dance move a bit closer, just let it take over And if this is our final chance lets make it worth it and dance until we stop the world

lets make it worth it and dance until we stop the world

If this is our last, last dance move a bit closer, just let it take over And if this is our final chance lets make it worth it and dance until we stop the world

If this is our last, last dance move a bit closer, just let it take over And if this is our final chance lets make it worth it and dance until we stop the world
