

# Avicii, The Nights

Hey, once upon a younger year  
When all our shadows disappeared  
The animals inside came out to play  
Hey, We're face to face with all our fears  
Learned our lessons through the tears  
Made memories we knew would never fade

One day my father he told me  
Son, don't let it slip away  
He took me in his arms, I heard him say

When you get older  
Your wild life will live for younger days  
Think of me if ever you're afraid

He said, one day you'll leave this world behind  
So live a life you will remember  
My father told me when I was just a child  
These are the nights that never die  
My father told me

When thunder clouds start pouring down  
Light a fire they can't put out  
Carve their name into those shining stars  
He said go venture far beyond these shores  
Don't forsake this life of yours  
I'll guide you home no matter where you are

One day my father he told me  
Son, don't let it slip away  
When I was just a kid, I heard him say

When you get older  
Your wild life will live for younger days  
Think of me if ever you're afraid

He said, one day you'll leave this world behind  
So live a life you will remember  
My father told me when I was just a child  
These are the nights that never die  
My father told me

These are the night that never die  
My father told me  
Hey, hey
