

# Avicii vs Nicky Romero, I Could Be The One (Nicktim)

Do you think about me when you're all alone?  
The things we used to do we used to be  
I could be the one to make you feel that way  
I could be the one to set you free

Do you think about me when the crowd is gone?  
It used to be so easy, you and me  
I could be the one to make you feel that way  
I could be the one to set you free

I could be the one to make you feel that way  
I could be the one to set you free  
I could be the one to make you feel that way  
I could be the one to set you free

When you need a way to beat the pressure down  
When you need to find a way to breathe  
I could be the one to make you feel that way  
I could be the one to set you free

If you need to see me when the crowd is gone  
It used to be so easy can't you see?  
I could be the one to make you feel that way  
I could be the one to set you free?

I could be the one to make you feel that way  
I could be the one to set you free  
I could be the one to make you feel that way  
I could be the one to set you free  
I could be the one to make you feel that way  
I could be the one to set you free  
I could be the one to make you feel that way  
I could be the one to set you free
