

Avril Lavigne, All The Crazy People Get Ya Ass In

All the crazy people
Get ya ass in here
lets party till we drop
drinkin beer non stop

crazy, crazy in love
crazy people oh oh yeah

it was cool at the bar
when you kissed me on my cheek
but now i know what im worth
a real guy not a nasty geek

All the crazy people
Get ya ass in here
lets party till we drop
drinkin beer non stop

crazy, crazy in love
all the crazy people
out there yeah no oh

thought you were different
but i guess your da same
i thought you were special
it turned out that you're lame
