

# Avril Lavigne, Give You What You Like

Please wrap your drunken arms around me  
And I'll let you call me yours tonight  
'Cause slightly broken's just what I need  
And if you give me what I want  
Then I'll give you what you like

Please tell me I'm your one and only  
Or lie, and say at least tonight  
I've got a brand new cure for lonely  
And if you give me what I want  
Then I'll give you what you like

When you turn off the lights  
I get stars in my eyes  
Is this love?  
Maybe someday  
So don't turn on the lights  
I'll give you what you like

Emotions aren't that hard to borrow  
When love's the word you never learned  
And in a room of empty bottles  
If you don't give me what I want  
Then you'll get what you deserve

When you turn off the lights  
I get stars in my eyes  
Is this love?  
Maybe someday  
I've got the scene in my head  
I'm not sure how it ends  
Is it love?  
Maybe one day  
So don't turn on the lights  
I'll give you what you like  
Give you what you like

I'll give you one last chance to hold me  
If you give me one last cigarette  
By now it's early in the morning  
Now that I gave you what you want  
All I want is to forget

When you turn off the lights  
I get stars in my eyes  
Is this love?  
Maybe someday  
I've got the scene in my head  
I'm not sure how it ends  
Is it love?  
Maybe one day  
So don't turn on the lights  
I'll give you what you like  
Give you what you like

What you like
