

# Avril Lavigne, I Don't Give A Damn (Concert Vers

Everytime you go away,  
it actually kinda makes my day,  
everytime you leave you slam the door,  
you pick your words so carefully,  
you hate to think your hurtin' me,  
you leave me laughing on the floor

Cuz

(Chorus)

I don't give a damn,  
I don't give a shit,  
what you say about that,  
you know I don't give a damn,  
I don't give a shit,  
what you say about that,  
you know I'm not gonna cry bout some stupid guy,  
a guy who thinks he's all that.  
I thought we were just hanging out,  
so why'd you kiss me on the mouth,  
you thought the way you taste would get me high  
You went to all your friends to brag,  
guy's are always such a drag,  
don't you know the reason that I kissed you was to say goodbye

Cuz

(Chorus)

hanging...hanging out  
I am simply hanging....hanging out  
I am simply hanging...  
so why'd you kiss me on the mouth  
don't you know that I  
I don't give a damn about you  
I won't give a shit not for you  
I don't give a damn about you  
I won't give a shit not for you  
I'm not gonna cry bout some stupid guy,  
a guy who thinks he's all that.  
I don't give a damn,  
I don't give a shit,  
what you say about that,  
you know I don't give a damn,  
I don't give a shit,  
what you say about that,  
(I don't give a shit)  
I don't give a damn,  
I don't give a shit,  
what you say about that,  
you know I don't give a damn,  
I don't give a damn,  
what you say about that,  
you know I don't give a damn,  
I don't give a shit,  
what you say about that, (what you say)
