

# Avril Lavigne, I Love You ('Goodbye Lullaby')

La la la la la la  
La la la la la  
I like your smile  
I like your vibe  
I like your style  
But that's not why I love you  
And I, I like the way  
You're such a star  
But that's not why I love you  
Hey, do you feel, do you feel me  
Do you feel what I feel too  
Do you need, do you need me  
Do you need me?  
You're so beautiful  
But that's not why I love you  
I'm not sure you know  
That the reason I love you,  
Is you being you, just you  
Yeah, the reason I love you  
Is all that we've been through  
And that's why I love you  
La la la la la la  
La la la la la  
I like the way you misbehave when we get wasted  
But that's not why I love you  
And how you keep your cool, when I am complicated  
But that's not why I love you  
Hey, do you feel, do you feel me  
Do you feel what I feel too  
Do you need, do you need me  
Do you need me  
You're so beautiful  
But that's not why I love you  
I'm not sure you know  
That the reason I love you,  
Is you being you, just you  
Yeah, the reason I love you  
Is all that we've been through  
And that's why I love you  
Even though we didn't make it through  
I am always here for you... you...  
You're so beautiful  
But that's not why I love you  
I'm not sure you know  
That the reason I love you,  
Is you being you, just you  
Yeah, the reason I love you  
Is all that we've been through  
And that's why I love you  
La la la la la la  
La la la la la  
That's why I love you  
La la la la la la  
La la la la la  
That's why I love you
