

# Avril Lavigne, Let Me Go (feat. Chad Kroeger)

Avril:

Love that once hung on the wall  
Used to mean something  
But now it means nothing  
The echoes are gone in the hall  
But I still remember  
The pain of December

Oh, there isn't one thing left you could say  
I'm sorry it's too late

I'm breaking free from these memories  
Gotta let it go, just let it go  
I've said goodbye set it all on fire  
Gotta let it go, just let it go ooo ooo

Chad:

You came back to find I was gone  
And that place is empty  
Like the hole that was left in me  
Like we were nothing at all  
It's not what you meant to me  
I thought we were meant to be

Oh, there isn't one thing left you could say  
I'm sorry is too late

Avril:

I'm breaking free from these memories  
Gotta let it go, just let it go  
I've said goodbye set it all on fire  
Gotta let it go, just let it go

Avril & Chad:

I let it go (and now I know)  
A brand new life (is down this road)  
A when it's right (you always know)  
So this time (I won't let go)

Avril:

There's only one thing left here to say  
Love's never too late

I've broken free from those memories  
I've let it go, I've let it go  
And two goodbyes led to this new life  
Don't let me go, don't let me go  
Oh, Oh  
Oh (don't let me go, don't let me go, don't let me go)

Won't let you go  
Don't let me go
