

Avril Lavigne, Mobile

Went back home again
this sucks gotta pack up and leave again
say goodbye to all my friends
can't say when I'll be there again
It's time now to turn around
Turn my back on
EVERYTHING everything....

[chorus]

Everythings changing when I turn around all out of m control I'm a mobile
Everythings changing everywhere I go all out of y control I'm a mobile.

Start back at this life
Stretch myself back into the vibe
I'm waking up to another TV GUIDE
It's time now to turn around
Turn and walk on this crazy ground oh oh oh....

[chorus]

Everythings changing when I turn around all out of my control Im a mobile
Everythings changing when I turn around all out of my control
Everywhere I go Im a mobile

Hanging from the ceiling lifes a mobile spinning round
with mixed feelings crazy & wild ...
sometimes I wanna SCREAM OUT LOUD

Everythings changing
everywhere I go
All out of my control
Everythings changing
everywhere I go out of what I know

[chorus]
