

# Avril Lavigne, My and my Girls

Who wants to be ordinary in a crazy mixed up world  
i was always live and crazy but i sill had my girls  
they liked me no matter what i always said and done sometimes  
eventhough i was crazy they always had sometime  
to be with me and to hold me  
to remanice on all the things we did  
to tell me that i was crazy  
i must be strong and i must hold oon  
hold ooon hold ooon  
hold on  
hold on  
hold on
