

# Avril Lavigne, Not Gonna Run

I wake up in the morning  
Put on my face  
The one thats gonna  
Get me through another day

It doesn't really matter  
...how i feel inside  
...this life is like  
A game sometimes

But then you came around me  
The walls just dissapeared  
Nothing to surround me  
And keep me from my fears

I'm unprotected see how I've opened up  
Oh... you've made me trust

Cause I've never felt like this before  
I'm naked around you does it show  
You see right through me and I can't hide  
I'm naked around you and it feels so right  
... Yeah Yeah

I'm trying to remember why I was afraid  
To be myself and let the covers fall away  
Guess I never had someone like you  
To help me fit in my skin

I've never felt like this before  
I'm naked around you does it show  
You see right through me and I can't hide  
I'm naked around you and it feels so right

I'm naked around you does it show  
I'm so naked around you and I can't hide  
You're gonna see right through me

Naked around you  
I'm so naked around you  
And I can't hide  
You're gonna see right through
