

Avril Lavigne, Smile

You know that I'm a crazy bitch
I do what I want when I feel like it
All I wanna do is lose control
Oh oh
But you don't really give a shit
You go with it, go with it, go with it
'Cause you're fucking crazy rock 'n roll
You said "Hey, what's your name"
It took one look and now I'm not the same
Yeah, you said "Hey", and since that day
You stole my heart and you're the one to blame
And that's why I smile
It's been a while, since every day and everything has felt this right
And now, you turn it all around, and suddenly you're all I need, the reason why
I smile
Last night I blacked out I think
What did you, what did you put in my drink
I remember making out and then oh oh
I woke up with a new tattoo
Your name was on me and my name was on you
I would do it all over again
You said "Hey, what's your name"
It took one look and now I'm not the same
Yeah, you said "Hey", and since that day
You stole my heart and you're the one to flame
And that's why I smile
It's been a while, since every day and everything has felt this right
And now, you turn it all around, and suddenly, you're all I need, the reason why
I smile
You know that I'm a crazy bitch
I do what I f want when I feel like it
All I wanna do is lose control
You know that I'm a crazy bitch
I do what I f want when I feel like it
All I wanna do is lose control
And that's why I smile
It's been a while, since every day and everything has felt this right
And now, you turn it all around, and suddenly, you're all I need, the reason why
I smile
It's been a while, since every day and everything has felt this right
And now, you turn it all around, and suddenly, you're all I need, the I reason why
I smile
The reason why, I smile
