

# Avril Lavigne, Tell Me it's Over

I ain't playin no games 'cause I got nothing left to lose  
I'm so tired of circular motions, they leave me dizzy and confused  
My heart, oh no it's not your revolving door  
I get stuck spinnin' and spinnin' and spinnin'  
Till I collapse on the floor  
But every time that you touch me  
I forget what we're fighting about  
I forget, I forget, what we're fightin'  
You come and you leave shame on me for believing every word out of your mouth

tell me it's over  
if it's really over  
cause it don't feel like it's over whenever you're closing the door, no  
so tell me it's over

darling you, you, taste so bittersweet  
can't get you off of my lips  
you're dangerous when you take me like a thief  
and I, I should let this go  
I try and I try,  
I try, but why  
why won't you leave me alone

tell me it's over  
if it's really over  
cause it don't feel like it's over whenever you're closing the door, no  
so tell me it's over  
if it's really over  
cause every time you come over  
to doesn't feel over no more  
so tell me it's over

I keep on leaving the light on  
hoping to find something else  
I've played the fool for he last time  
I just can't do this myself  
tell me it's over  
if it's really over  
cause it don't feel like it's over whenever you're closing the door, no  
so tell me it's over  
if it's really over  
cause every time you come over  
to doesn't feel over no more  
so tell me it's over
