Avril Lavigne, Tomorrow

And I wanna believe you, When you tell me that it'll be ok, Ya I try to believe you, But I don't

When you say that it's gonna be, It always turns out to be a different way, I try to believe you, Not today, today, today, today, today...

[Chorus:]

I don't know how to feel, tomorrow, tomorrow, I don't know what to say, tomorrow, tomorrow Is a different day

It's always been up to you, It's turning around, It's up to me, I'm gonna do what I have to do, just do

Gimme a lil time, Leave me alone a little while, Maybe it's not too late, not today, today, today, today,...

[Chorus:]

I don't know how to feel, tomorrow, tomorrow, I don't know what to say, tomorrow, tomorrow Is a different day

And I know I'm not ready, Maybe tomorrow

And I wanna believe you, When you tell me that it'll be ok, Ya I try to believe you, Not today, today, today, today,...

Tomorrow it may change [4x]
