

# Avril Lavigne, Unwanted

All that I did was walk over  
Start off by shaking your hands  
That's how it went  
I had a smile on my face and I sat up straight  
Oh, yeah, yeah  
I wanted to know you  
I wanted to show you

[chorus]  
You don't know me  
Don't ignore me  
You don't want me there  
You just shut me out  
You don't know me  
Don't ignore me  
If you had your way  
You'd just shut me up  
Make me go away

No, I just don't understand why  
you won't talk to me  
It's hurts that I'm so unwanted for nothing  
Don't talk words against me  
I wanted to know you  
I wanted to show you

[chorus]  
Make me go away

I tried to belong  
It didn't seem wrong  
My head aches  
Its been so long  
I'll write this song  
If that's what it take

[chorus (2x)]  
Make me go away  
Make me go away
