Avril Lavigne, Who Knows

Yeah, Yeah Yeah, Yeah, Yeah Yeah, Yeah, Yeah

Why do you look so familiar I could swear that I have seen your face before I think I like that you seem sincere I think I'd like to get to know you a little bit more

I think there's something more Life's worth living for

Who knows what could happen
Do what you do
Just keep on laughing
One thing's true
There's always a brand new day
I'm gonna live today like it's my last day

Yeah, Yeah Yeah, Yeah, Yeah Yeah, Yeah, Yeah

How do you always have an opinion And how do you always find the best way to compromise We don't need to have a reason We don't need anything we're just wasting time

I think there's something more Life's worth living for

Who knows what could happen Do what you do Just keep on laughing One thing's true There's always a brand new day

Who knows what could happen
Do what you do
Just keep on laughing
One thing's true
There's always a brand new day
I'm gonna live today like it's my last day

Find yourself
'Cause I can't find you
Be yourself
Who are you?
Find yourself
'Cause I can't find you
Be yourself
Who are you?

Who knows what could happen Do what you do Just keep on laughing One thing's true There's always a brand new day

So you go and make it happen Do your best Just keep on laughing I'm telling you There's always a brand new day Who knows what could happen
Do what you do
Just keep on laughing
One thing's true
There's always a brand new day
I'm gonna live today like it's my last day
