

# Axxis, Never Again

As I look back at my lover  
With open eyes  
I feel there's something wrong  
I feel that I  
Need to change my mind  
I know what I have to say

Bridge:

And I say - no - I love you  
I need you - no longer now

Chorus:

I'll go by myself  
I need no one else  
I'll go by myself  
You can't treat me so badly again  
Never again, never again

I'll go my way alone  
I won't look back and cry  
I gave you everything  
All that you need  
But you turned your back on me  
When I needed you

Bridge:

So I say - no - I love you  
I need you - no longer now

Chorus:

I'll go by myself  
I need no one else  
I'll go by myself  
You can't treat me so badly again  
Never again

Solo

Bridge:

And I say - no - I love you  
I need you - no longer now

Chorus:

(I'll go by myself)  
Don't miss you - no never  
I leave you now forever  
(I need no one else)  
From now on, I'll go my way alone  
(I'll go by myself)  
Don't miss you - no never  
I leave you now forever  
(I need no one else)  
From now on, I'll go my way alone  
(I'll go by myself)  
Don't miss you - no never  
I leave you now so  
You can't treat me so badly again  
Never again, never again
