

Ayah Marar, Lethal Dose

V1

Someone call a doctor i?m feeling faint
Someone close the curtains, keep him away
One thing is for certain
When none of these drugs are working
Even when they?re in my system
I feel the pain
Keeps hold, hold, hold of me (very close) x3

CHORUS

DON?T TELL ME HE?S CLOSE
HE?S THE LETHAL DOSE
DON?T TELL ME HE?S CLOSE
LIKE A LETHAL DOSE
WHEN THERE?S NOTHING LEFT TO TRY
WHEN I?VE HAD ALL OF THE GUY
AND I JUST CAN?T KICK THE HABIT
YOU KNOW I?VE TRIED

(YA YA YA YA YA YA YA YA YA)

V2

Sometime in the future I?ll find the way
When I?m not ruled by my emotions
I?ll make him pay
One thing is for certain
While these drugs are working
I won?t need to hurt him
I can?t feel the pain

CHORUS (REP)

YA YA YA YA YA YA YA YA YA
