

Azealia Banks, Luxury

Listen now
Hip you, hip you now
When I whistle, whistle ow
Im gonna switch you, lift you, get when I hit you
With a smile, I make you make you wow now
With you, with you now
I can't forget you, get you now

Hey, hi, hello, yo, what's up?
My, oh, me, oh boy. What's word, could I call ya?
Up late I'm the one, I'm from New York
My, oh, mi amor
Who told you you could look so good?

Who says that you lay next to me?
Why can't we ??? before your way, your way
The one that you love lay next to me
??? if you want, you want to stay

Let me in your world
You know what I spy?
Spy you looking lonely, ya know boy that's why
I wanna be your lady
Your l-l-l-love, my l-u-x-u-r-,aye ya know what I would
If I could, if I could, if I could

Listen now
Hip you, hip you now
When I whistle, whistle ow
Im gonna switch you, lift you, get when I hit you
With a smile, I make you make you wow now
With you, with you now
I can't forget you, get you now

Uh, took a trip, took a boat, took 3 friends
This bitch said it's open season
Mistress been alone and she been
Lookin for some gentlemen
Im hoping that he been
Fillin when I'm fed up in that roper
He can chill up in that villa for the whole damn weekend
Just coast with her, put your hands on her figure
Now you're gropin her, gropin' her

Listen now
Hip you, hip you now
When I whistle, whistle ow
Im gonna switch you, lift you, get when I hit you
With a smile, I make you make you wow now
With you, with you now
I can't forget you, get you now

I swear
I'mma treat ya good baby, keepin' my air
If you leave me now baby it'll be a nightmare
I'mma nick your name and keep you right here
Oh yeah

Let me in your world
You know what I spy?
Spy you looking lonely, ya know boy that's why
I wanna be your lady
Your l-l-l-love, my l-u-x-u-r-,aye ya know what I would
If I could, if I could, if I could

Listen now
Hip you, hip you now
When I whistle, whistle ow
Im gonna switch you, lift you, get when I hit you
With a smile, I make you make you wow now
With you, with you now
I can't forget you, get you now
