

# Azn Dreamers, I Need You

I need you girl  
I couldn't live a day without you

Well I tried to write a special song  
A love song just for you  
To explain the way you make me feel inside  
Though the meaning may be simple  
And the words may not be new  
I couldn't make it clearer if I tried  
I need you  
And I couldn't live a day without you  
I need you  
More than anyone could ever know  
I need you  
And I wanna build my world around you  
I need you  
I need you

Well I sing the words and realize  
It had all been said before  
So I tried a different line that meant the same  
But it didn't have the feeling  
And the first one said much more  
So I guess I'll have to say it once again

I need you  
And I couldn't live a day without you  
I need you  
More than anyone could ever know  
Couldn't live a day without you girl  
I need you and I wanna build my world around you  
Baby that I need you

Oh I need you baby  
Couldn't live a day without you  
More than anyone could ever know  
I couldn't live a day without you girl  
I need you and I wanna build my world around you  
I need you

I need you  
And I couldn't live a day without you  
I need you  
More than anyone could ever know  
I need you  
And I wanna build my world around you  
I need you  
I need you

Well I tried to write a special song  
A love song just for you  
I need you
