

B*Witched, Someday

It's kinda funny
Tomorrow is yesterday
It feels so good
We'll slide on a rainbow
Catching a moonbeam or two,oh,oh,oh

Don't tell me i'm a dreamer
Cause i don't wanna know
(so let me take you there)

I know (i know)
We're gonna get there someday
(We're gonna get there someday)
And don't you know
(oh don't you know)
We're gonna get there someday
(we're gonna get there someday)

I'll tell you something
Life is a mystery
It'll be so good
Sail in a teacup
Drift on a milky white sea,oh,oh,oh

Don't go tellin me i'm a dreamer
Cause i don't wanna know
(so let me take you there)

I know (i know)
We're gonna get there someday
(We're gonna get there someday)
oh yeah
And don't you know
(oh don't you know)
We're gonna get there someday
(we're gonna get there someday)
Someday

Everyone (everyone)
Has there crazy world
(crazy world)
And everyone,they want to just stay
(They want to)
You're the only one
I want to share
I'll share it with you

Because i know, we're gonna get there
Someday,yeah

I know (i know)
We're gonna get there someday
(We're gonna get there someday)
Someday
And don't you know
(oh don't you know)
We're gonna get there someday
(we're gonna get there someday)
Someday
