

# B2K, This Isn

when your eyes I see  
what you mean to me  
when you calling out my name  
Boy you know that I  
want you by my side  
so why do you feel this way?  
Can't you see..... that I  
want you in..... my life  
so if you want .....to stay  
you gotta love me anyways  
(CHORSE)

If you don't stop getta way  
you're the one I adore  
but I don't need your lies...anymore  
all you do.. is breaking my heart  
every day.. from the start  
Boy this isn't love anymore  
---BREAK---

Doesn't matter how  
doesn't matter why  
cause today's another day  
Ever since thu time that when you said GOODBYE  
don't you know I ment to say.....  
can't you see.....that I  
want You in.....my life  
so if you want to stay....you gotta LOVE ME ANYWAYS  
(CHORSE PART)

can't you see  
me and U  
how are love was never untrue  
how was I suppose to know  
Now there's nothin I can do  
But I turn away  
all across the way  
Far away from you....(YOU)  
Can't you see..... that I  
want you in..... my life  
so if you want .....to stay  
you gotta love me anyways  
(CHORSE)  
THIS ISN'T LOVE ANYMORE  
THIS ISN'T LOVE ANYMORE
