B3, N.Y. B3

Im on the train to west side Anticipating tonight Get off of the nine, head down the street Im movin to my cities beat There aint no feelin like it You know you cant deny it Dont even try to fight it - N.Y.C. Just let the beat control ya And let the music show ya That New York City is place to be New York The streets, the lights, the sounds New York My peoples in this town New York Just come along and see New York The city that never sleeps Skyscrapers fill the air Neon lights bighten Times Square Uptown, Downtown, this cities got Me goin round and round There aint no feelin like it You know you cant deny it Dont even try to fight it - N.Y.C. Just let the beat control ya And let the music show ya That New York City is place to be New York The streets, the lights, the sounds New York My peoples in this town New York Just come along and see New York The city that never sleeps
