

Baby Keem, Kendrick Lamar, range brothers

Bad bitch
Pardom me
I say: what's up?
Educated so i put ther in the cur

I need a girlfriend
I need a girlfriend
2 hoes and i think
I did too much

I got 2 phones
And i don't know whp tp trust
I need a girlfriend
I need a girlfriend
Bet that girlfriend lonely
Introduce her to my hombre

That's a lot of bitches
That they sent home in their ombre
I high profile niggas
In my circle
Dodging rumor
I been tucked away dogin' bless
Duckin' mabeuvers
