

# Babyface, When You Believe

Written by stephen schwartz, babyface (1998)  
Performed by whitney houston and mariah carey

Many nights we've prayed  
With no proof anyone could hear  
In our hearts a hopeful song  
We barely understood  
Now we are not afraid  
Although we know there's much to fear  
We were moving mountains  
Long before we knew we could

There can be miracles  
When you believe  
Though hope is frail  
It's hard to kill  
Who knows what miracles  
You can achieve  
When you believe  
Somehow you will  
You will when you believe

In this time of fear  
When prayer so often proves in vain  
Hope seemed like the summer birds  
Too swiftly flown away

Yet now I'm standing here  
My heart's so full, I can't explain  
Seeking faith and speaking words  
I never thought I'd say

Hook

So in times when all your hope is gone  
And you go through life afraid  
In your heart there lies a hopeful song  
That is there to guide the way  
And all the hurt and all the pain  
You soon will learn was not in vain  
For all your prayers, they will be heard  
They'll come to pass through faith

There can be miracles  
When you believe  
Though hope is frail  
It's hard to kill  
Who knows what miracles  
You can achieve  
When you believe  
Now you will  
You will when you believe
