

Babyshambles, Back From The Dead

I heard it said
You had come back from the dead
And you were playing so fine
Scooping up the soul of the wine
Courage, my boy
The way you looked them in the eye
Try not to look too scummy
If you want some money
And you need some money now
Oh, this ain't no happy place to be
There's nothin' nice around me
Nothin' nice about me almost everyone agrees
There's another big year for you
I knew my friend of promises, promises
I know you've heard them all before
Love is, love is, love is, love is
Love is, oh well it's just another call
I heard it said
You had come back from the dead
Playing so fine, even if you ensure comes on my couch
My boy, oh yeah, looked them in the eye
Like they tried to be funny if there is someone you know
Oh oh
Oh oh
Oh oh
