

Babyshambles, Cuckoo 1440

we've got forever
but you know that's not much time
for you to bring me the words
i'll pretend they're mine
i'll pretend they're mine
girl, you come around sometime
to give me your love
forever
forever
forever
the time and ties and lies and pride
and help from above
forever
forever
forever

we've got forever
but you know that's not much time
for you to bring me the songs
i'll pretend they're mine
i'll pretend they're mine
cuckoo, cuckoo, cuckoo
cuckoo, cuckoo, cuckoo
cuckoo

Alternative lyrics:

Stookie + Jim version

Cuckoo (x 11)

We've got forever
But you know that's not much time
For you to bring me the songs
And I'll pretend they're mine
I will make them mine
You said you'd never
Let no one in on that lie
And I discovered the truth
Oh I could just die
Lay right down and die
Ooh oh oh oh, ooh oh oh oh
Ooooh oh oh oh
Oh yeah, oh yeah, oh oh yeah
Girl you come around sometimes
And give me your love
Oh yeah, oh yeah, oh oh yeah
On tides, in ties, with lies, with pride
And help from above
Oh yeah, oh yeah, oh oh yeah
Ooh oh oh oh, ooh oh oh oh
Ooooh oh oh oh
Oh yeah, oh yeah, oh oh yeah
Said girl you come around sometimes
And give me your love
Oh yeah, oh yeah, oh oh yeah
All days long lost in song
All nights fall from above
Oh yeah, oh yeah, oh oh yeah
Cuckoo (x 8)
Cuckoo (x 11)
We've got forever
But you know that's not much time
For you to bring me the songs
And I'll pretend they're mine
I will make them mine
You said you'd never
Let no one in on that lie
And I discovered the truth

Oh I could just die
Lay right down and die
