

Babyshambles, Faith (George Michael cover)

(grane przed 'Horrorshow'; Newcastle 4 Grudnia 2006)

Baby

I know you're asking me to stay

Say please, please, please, don't go away

You say I'm giving you the blues

Maybe

You mean every word you say

Can't help but think of yesterday

And another who tied me down to loverboy rules

I've been following, I've been following your mind's instructions

On how to slowly sharply screw myself to death

Yes, there is a screw

It's pointed at my head

Then, look, a dream peddler

And a stick of light through my bones

Don't get on the wrong one

Oi you and you what's your game

Baby

I know you're asking me to stay

Say please, please, please, don't go away

You say I'm giving you the blues

Maybe

You mean every word you say

Can't help but think of yesterday

And another who tied me down to loverboy rules

Laying me down to waste

Laying me down

Now you can pin me up or put me down uh uh uh uh oh

Now let it all go

It's a horrorshow

You should come on round

Horrorshow, the horse is brown uh uh oh

Left something in Moscow

She said, I'll show you a picture

A picture of tomorrow

There's nothing changing it's all sorrow

Oh, no please don't show me

I'm a swine you don't wanna know me...

Still, I've been following, following your mind's instructions

On how...
