

Babyshambles, French dog bulldos

I model lacklustre panicky in vain search for the remedy
No words only melody come so I take the day off
My love, my love, she sits with me, I love, I love her company
Raindrops on roses and dust-filled trinkets
So, this washes over you
my French dog blues
Chien bleu chien franzosischer hund
And the French dog blues
And the French dog blues
By the French dog blues
Never surrender to flattery
Frown on, come down on duplicity
And above all things my son...take the money and run
I still model lacklustre panicky in vain search for the remedy
No words only melody came
ah, take another day off
Oh, this washes over you
French dog blues
Chien bleu chien franzosischer hund
Yeah, I see you
I only ever wanted the one with the flag
All you ever wanted was a 60 dollar bag
And a cheap limousine for your deep pile dreams on the highway
on the highway
highway, oh
Chien bleu franzosischer hund
And the French dog blues
And the French dog blues
Well, the French dog blues
And the French dog
